She had a black skin colour. Apart from this, Regina was also clever and smart. Regina was asked to take part in this beauty contest by her friends. They always called her the "Black Beauty Queen" because of her beautiful black colour.

On the day of the contest, very many people came to attend. The contest began at 2:00p.m.The judges looked at the beauty, size, age and nationality of the girls. All the girls were very beautiful so it was very difficult for the judges to choose the winner.

After careful judgment, the judges started reading out the results at 6:00p.m At this moment every girl hoped to win the best prize which was a car.

The announcer started with the contestant in the last position. He said,"The contestant in the 20th position is Reggggggg……,Reggggggg……."On hearing this, Regina closed her eyes and covered her face. But after a minute of silence,

the announcer said the full name as "Regious" This girl had a name almost similar to that of Regina but thank God it wasn't Regina.
