51. <u>Read the passage below and in full sentences, answer the questions that follow.</u>

My school choir had made it to the National Music Competitions. It had two weeks to polish the items before the competitions began. Mr. Balikoowa worked so hard that his choir members mastered everything. They sometimes had their music practices in the nights.

So on 8th August, 2021, the day for the National Music Competitions came. Different school choirs from different districts in the country met at the National Theatre. They competed in set pieces, instrumental compositions, sight singing, traditional folk songs and traditional folk dances. These competitions took a week. This is because so many schools participated in it. A few items were presented per day. The competitions were very stiff as most of the choirs had done enough practice.

At the end of the week, the adjudicators commented on the different presentations before they announced the winners. My school choir won these competitions and was given a trophy. Jubilations filled the air when the trophy was brought to school. The teachers and the school children danced around in the school compound. Sr. JohnMary, our headmistress, gave presents to the choir members and a big refrigerator to Mr. Balikoowa.

She thanked everyone in the school for the support they had given to the school choir. She encouraged everyone to go on with the same spirit so that our choir can win the competitions again.

53. **Read the poem below carefully and in full sentences, answer the questions that follow.**

I know I am two-legged,
And my friend is four-legged,
I am used on the road,
But I have never seen my friend in the air,
Who they say is more important!
I don't use the daily food, like my friend does.

My friend takes people to various places,
I have never failed to do the same,
He carries their luggage,
I also have my carrier,
But they say he is more important.

You sit in my friend to drive,
I also have a saddle where you sit while riding me,
His steering wheel helps you change direction,
My handle bars do the same,
But they say he is more important than me,
Because he moves faster than me.

When my master gets rich,
He puts me aside,
He starts moving with my friend,
Without his daily food, my friend can't move,
In narrow paths, I am the only one,
Master, when will you see my great importance!
