SECTION B. (50 MARKS)

Questions 51 to 55 carry ten marks each. Do them all.

51. Read the passage below carefully and then answer in full sentences the questions that follow.

It was early in January this year when the PLE results 2022 were released. Many candidates became anxious because they wanted to know their results. They therefore sent SMS to 6600.

While releasing the results at Uganda National Examinations Board (UNEB) headquarters at Ntinda, the minister of Education and Sports, Hon. Jannet Kataha Museveni was glad to announce that most of the candidates had passed the examinations.

Apart from the general performance, it indicated that English was the best done subject. However, she also noted that science was the worst done subject. The minister congratulated all the candidates on their success. She also thanked the teachers and headteachers who had taught the candidates and conducted the examinations without any malpractice.

Since urban schools performed better than rural schools the minister warned teachers in rural areas against absenteeism, late coming and high rate of school dropout in rural schools. She promised that the Ministry of Education and Sports would come up with a new policy very soon.

Finally, the minister called upon headteachers of secondary schools to assemble at Mandela National Stadium for selection of successful candidates to secondary schools of their choice.
