	SECTION B (50 MARKS) Read the passage below and answer the questions about it in full sentences.
	In March this year, twenty girls took part in a beauty contest. The beauty contest took pla

Mukasa does not expect a letter. Jim does not expect a letter. (Join the sentence as one

43.

In March this year, twenty girls took part in a beauty contest. The beauty contest took place at Serena Hotel. Nakalungi, my elder sister was one of the twenty girls in the contest. She was asked to join this contest by her friends. They always called her the "Black Beauty Queen" because of her beautiful black skin colour. Nakalungi was also smart and clever.

On the day of the contest, Nakalungi wore a red dress with black patterns. She looked very beautiful in it. At exactly 3:00pm, the contest began. The hall was full of friend, relative and well-wishers of the bevy. During the contest, the judges considered the beauty size, age and nationality of the girls. All the twenty girls were very beautiful. It was therefore very difficult for the judges to choose the winner.

At 7:00pm, the judge started reading the results. The audience <u>anticipated</u> to know the winner. The winner was to take the best prize which was a car. The announcer began with the contestant in the last position. He said, "The contestant in the 20th position is Nakkk...., Nakkk...." On hearing this, Nakalungi closed her eyes and covered the face in shock!

After a minute of silence, the girl had a name almost similar to that of Nakalungi but it wasn't. Announcing the results went on for almost an hour.

Finally, they announced Nakalungi as the winner. Al of us jumped off our seats shouting with joy. Nakalungi was crowned. "Miss Kampala" and was handed over the new car. She was very happy.
