SECTION B

51. Read the passage below carefully and then answer, in full sentences, the questions that follow.

The world cup is the most popular game globally. It is played after every four years. The teams that qualify are selected from all the continents. Europe takes the biggest slot due to its competitiveness and rich talent.

The 2018 world cup attracted thirty-two teams. Russia hosted the tournament. Many observes say the hosts organized the best world cup so far in its history. Evidence of this is the wonderful infrastructure (stadiums, hotels, roads and many others). The high attendance of fans from within Russia and outside was notable.

The hospitality of the Russians and the fight against racial discrimination was highly commended.

The world cup final had France versus Croatia. This tough match was officiated by referee Nestor Pitana from Argentina. The tension in Luzhniki stadium was high.

Sunday 15th July, 2018 is a memorable day in our lives over this great event. The event was attended by 3 Heads of state; viz Emmauel Macron of France, Kohinda Grabar – Kitarovic (Mrs) of Croatia, and the host, president Vladimir Putin.

At the final whistle, France had beaten Croatia 4 - 2. Croatia had played a <u>thrilling</u> game but lost due to a number of factors. Among them was poor defensive skills.

This, in Croatia's misfortune, resulted in own goal and penalty awarded by new technology called Video Assistant Referee (VAR). Though they lost, the most

<u>industrious</u> player in the Croatia team was Lucas Modric. He steered his team to the last minute, urging them to play on.

French coach, Didier Deschamps was recognized too. This is because he played in the 1998 world cup which France won, where he was the captain. And now in 2018, he won the world cup as a coach in the same French team. The other players who have done so are Brazil's Mario Zagallo and Germany's Franz Baeckenbauer. The next world cup will be played in Qatar in 2022. We expect the Uganda Cranes to be part of the 2022 competing teams.

53A. Read the poem below and then answer, in full sentences, the questions that follow.

My grandsons and daughters
Be careful with the world
It has become crazy
People are like hungry lions
Which don't spare their prey
Kidnappers won't spare your lives.
Stay at home with your parents.

Oh! Grandchildren!
The world has become crazy
Child molesters are in big numbers
Defilers are on the increase
Girl children are the biggest victims
Abide by the home rules and regulation
Only move with permission of your parents.
