	I know I am two – legged, And my friend is four – legged I am used on the road, But I have never seen my friend in the air, Whom they say is more important! I don't use the daily food, like my friend does.

My friend takes people to <u>various</u> places,
I have never failed to do the same,
He carries their <u>baggage</u>,
I also have a carrier,
But they say he is more important.

You sit in my friend to drive,
I also have a saddle where you sit while riding me,
His steering wheel helps you change direction,
But they say he is more important than me,
Because he moves faster than me,

When my master gets rich,

He puts me aside,

He starts moving with my friend,

Without his <u>daily food</u>, my friend can't move,

In narrow paths, I am the only one,

Master, when will you see my great importance?
