- 17 Tax charged on imported goods/Tax charged on goods bought from outside countries
- 18. Movement of wind on alarge mass of water in aspecified direction
 - Heating of the sea a different latitudes
 - The effect of the Equator
 - The effect of wind on the Equator
 - Rotation of the earth
 - Set in motion by wind
 - Prevailing winds are major causes
 - Difference in temperature and Salinity
 - Action of wind on the surface of water
 - Variation in water temperature that causes movement a process known as convection
- 19. To avoid floods
 - To avoid waterborne diseases/vectors
 - To avoid destruction of Habitat of wild animals
 - To avoid destruction of raw material for crafts
 - To avoid drought helps in rain formation
 - To allow easy infiltration of wastes
 - They are source of water
 - To avoid global warming
- 20 -To reduce congestion in classrooms
 - To improve on education standards
 - To cater for the increasing number of learners
 - To promote development
- 21. It is more easily used throughout the year than murram one
 - It is smoother than murram one

- It makes movement faster than murram road
- Tarmac road is not dustily/slippery/muddy as murram road
- Tarmac road is not easily affected by weather as murram one
- Tarmac road does not require regular repair compared to murram one
- Tarmac road is more durable than murram road
- 22 -They pollute the soil
 - -They reduce soil fertility/reduce productivity
 - -They don't allow water to enter the soil
 - -They reduce aeration of the soil
 - -They suffocate living organisms in the soil.
- 23 Provision of water for irrigation
 - Contributes to rain formation which crops need
 - There is fertile soil for agriculture.
 - It provide transport for famers' crops.
- 24. To protect/ preserve/conserve the environment
 - To sensitize people on environment.
 - Enforce environment laws
 - Carries out environment impact assessment
 - Gazettes water lands
- 25. sisal
 - Banana fibre/banana leave Rubber band/balloon
 - Polyethene paper Straws
 - Raffia Tree barks
 - Papyrus. Grass/ paper grass/lemon grass
 - Rugs/Old fish netsStrings/ gauzeAnimals bladderClimbing plants
- 26. -LDUs Security gaurds (Askaris) Teacher
 - -police Matrons Religious leaders
 - -Army Diso. Criso. RDs watchmen
 - -LCs Prefects Scouts/ patriotic clubs.
 - -Elders-Gate keeper Crime preventers.
