### 53. Read the poem below and answer the questions that follow in full sentences.

I am a carpenter and a designer,
With two hands I have made a frame,
With two hands I have made a name,
I make wood useful to people,
I am a carpenter and a designer by profession.

With a plane, I make wonderful things from wood,

<u>Sofa sets, sideboards and cupboards,</u>

Wardrobe, counters and frames,

I make the most comfortable <u>beds,</u>

Where we lay the dead,

For the rest if their time.

Mvule, Mahogany and Oak,
Are the best raw materials in the workshop,
Save for the pine and cypress which are soft wood,
While polish makes wood shine,

Glue holds plank together,
Yes, the result is something wonderful.
I am proud each time I am called to work,
It is on wood that I entirely depend,
I am proud that I fill your house,
Because designing wood materials is my duty,
With two hands, I can survive,
I am proud, I am carpenter.
